7ème congrès iberoamericain et européen de droit du travail et de la sécurité sociale

7TH IBEROAMERICAN AND EUROPEAN CONGRESS ON LABOUR LAW AND SOCIAL SECURITY

"100 years of the ILO"
Faculty of law and political science of Versailles Saint-Quentin-en-Yvelines, France
28- 30th October 2019

The organizing Committee of the **7th Iberoamerican and European Congress on labour law and social security**, is pleased to invite you to attend and to participate at this event.

This Congress will take place in Saint-Quentin-en-Yvelines (Guyancourt) and Versailles, 15 km west of Paris, within one of the most dynamic universities of the Parisian region.

Almost 100 years after the creation of the ILO by the Treaty of Versailles, how can human rights address the challenges of labour law in the age of generalized disruption?

At a time when the places, forms and nature of employment become even more elusive, this 7th Congress wants to bring some avenues of understanding by the most eminent jurists coming from many countries of Latin America and Europe.

We believe that the many public and academic associations and institutions that support this Congress, as well as the importance of its theme, will make it a rare moment of exchange by the continents.

We hope and wish your presence at our Congress.

It will be a pleasure for us to welcome you to Versailles.
